Humboldt Pride has a working board. The position on our Board of Directors requires a year-round commitment. Each member is expected to coordinate a major task (volunteers, fundraising, vendors, for example). Humboldt Pride has a monthly board meeting followed by a community meeting. There is a yearly membership meeting in November. Board members are expected to attend all meetings; work events and fundraisers all year long, and participate in discussions on policy and management. The busiest part of the year is May-September. During those months, Board members will invest approximately 20-40 hours each week.

Board members are required to sign a non-disclosure agreement. Unfortunately, due to our legal standing regarding the California Brown Act, if you work for an organization that receives public funds, we cannot allow you to serve on our board. (We are happy to include you in a volunteer position!)

What is your professional and educational background?

Have you been convicted of a non-marijuana crime(s)? If so, please explain. (If you'd prefer to discuss this in person, please let us know.)

What qualities, skills, training, resources and expertise would you contribute to the organization?

What interests you most about Humboldt Pride?

Please tell us about your membership in organizations, associations, service clubs, social clubs, etc. Please highlight any leadership roles.
